

NI Capital Money Market Fund

(SIULA FUND)

FACT SHEET

April 2025

Fund goal

The fund aims to achieve a cumulative daily return commensurate with the low degree of risk associated with the instruments invested in it, while maintaining a high degree of liquidity that allows the investor to purchase and redeem daily.

Subscription and Redemption

Requests to purchase new investment certificates are received during official working hours on all official working days and are settled and executed according to the following:

If the purchase order is submitted before 12 noon:

The request is executed based on the IC price announced on the same day of submitting the request and based on fund's Net Asset Value at the end of the business day preceding the submission of the purchase request.

If the purchase order is submitted after twelve noon:

The order will execute next working day based on fund's Net Asset Value at the end of the day the purchase order is submitted, and IC price announced the next morning.
